Product description

- The self-adhesive, A4 format info-frame
- Present information in a high-quality and professional way.
- Quick insertion and replacement of documents via a hinged magnetic frame
- Easy to attach to smooth, stable surfaces without the need for tools and can removed again, e.g. from glass
- Fields of application: For A4 format documents such as room plans, orientation information and offers
- Readability from both sides of glass thanks to 2 inserts
- Identical frame look from both sides
- For portrait and landscape formats
- External dimensions: 236 x 323 mm
- The product is currently undergoing a transition phase: the base material is being changed from PVC to PP. In addition, the previous full-surface lamination is being replaced by a two-strip adhesive application, offering several functional advantages. The transition will be fully completed by the end of 2026 at the latest. Until then, mixed deliveries of the previous and new versions may occur.

- Custom labelling in just a few steps – easily create and print with the free DURAPRINT® design software.
