Product description

• Present information in a high-quality and professional way.
• Quick insertion and replacement of documents via a hinged magnetic frame
• Easy to attach to smooth, stable surfaces without the need for tools and can removed again, e.g. from glass
• Fields of application: Safety instructions and warning signs in A4 format, e.g. green/white: first aid, escape route maps. Red/White: fire protection plans. Yellow/Black: occupational safety
• Frame colour in accordance with ISO 3864-4 for safety colours
• Readability from both sides of glass thanks to 2 inserts
• Identical frame look from both sides
• For portrait and landscape formats
• The product is currently undergoing a transition phase: the base material is being changed from PVC to PP. In addition, the previous full-surface lamination is being replaced by a two-strip adhesive application, offering several functional advantages. The transition will be fully completed by the end of 2026 at the latest. Until then, mixed deliveries of the previous and new versions may occur.
