

BOSTIK

Blu-Tack®

THE ORIGINAL RE-USABLE ADHESIVE

TECHNICAL SHEET 13/03/2026

SMART ADVANTAGES

- **Made in Australia**
- **Reusable Adhesive:** Sticks to surfaces without leaving marks and can be used multiple times.
- **Versatile:** Ideal for posters, photos, decorations, and lightweight objects.
- **Easy to Use:** Simple to apply, remove, and reposition.
- **Creative Uses:** Great for crafts, DIY projects, and small household tasks.
- **Available in 7 colours!**

DESCRIPTION

Blu Tack® is the original reusable adhesive that provides an ideal alternative to drawing pins and sticky tape, with thousands of uses around the home, office and school environment. It is a permanently plastic, reusable multi-purpose adhesive and modelling material that is **pliable and non-toxic**, making it safe for all the family to mold, stick and play.

Blu Tack®'s multitude of uses make everyday life that little bit easier, whether you're removing fluff from clothing, levelling a picture frame or fixing a wobbly table.

Blu Tack® is proudly made in Australia, and has been since 1971.

TECHNICAL CHARACTERISTICS

Colours	- Original blue - Pink - Sky - Violet - Green - Orange - Yellow
Form	Putty Strips
Composition	Synthetic Polymer Base
Specific Gravity	1.09 approx

TYPICAL PERFORMANCE DATA (Approx.)

Solubility	Insoluble in water
-------------------	--------------------

Adhesive solutions by **ARKEMA**

APPLICATION

Read and understand the Safety Data Sheet before using this product. SDS can be acquired by visiting www.bostik.com.au

SURFACE PREPARATION

1. Wash hands before use.
2. Ensure surfaces are clean; dry free from grease and loose materials.

APPLICATION

3. For non-laminated surfaces make a 'blob' by tearing off a piece, pull and stretch into a ball and apply to one surface.
4. For laminated surfaces cut off 3-5cm pieces of Blu Tack, remove the release paper on one side, apply to one surface, then remove the other release paper.
5. Using good thumb pressure, apply to the other surface.

REMOVAL

To remove Blu Tack, hold and twist off or roll it carefully off the surface. Any remaining shreds can be removed by rolling or dabbing a blob of Blu Tack over the surfaces.

PRODUCT CODES

CODE	NAME
30840350	BLU TACK ORIGINAL 75G
30604201	BLU TACK COLOURS 75G
30628253	BLU TACK PINK 75G

30628257	BLU TACK GREEN 75G
30628255	BLU TACK ORANGE 75G
30628256	BLU TACK YELLOW 75G

STORAGE

Store away from heat, strong oxidizing agents and acids. Store between 5°C to 30°C. Shelf life is 5 years from the date of manufacture when stored as directed

PRECAUTION IN USE

Do not use dark coloured Blu Tack® on absorbent, silk screen printed or hand stenciled wallpaper nor on porous brickwork. The adhesive properties of Blu Tack® increase over time, so take extra care when removing after a period of months. On some surfaces after a long period of time Blu Tack® can leave a slight oily mark but this can often be removed using Stain Remover or lighter fluid. Before using these products, we recommend you test on a small inconspicuous area. Not suitable to support heavy objects. 0.5g holds 105g of load. Care should be taken on painted plaster as Blu Tack® adhesive qualities may cause paint to come away from wall.

HEALTH & SAFETY

Always read the Technical Data Sheet and Safety Data Sheet (SDS) before handling or use. Full product safety information required for safe use is not included in this data sheet. SDS available by request or at www.bostik.com.au

FIRE

Non-flammable. Recommendations and suggestions are for guidance only, since conditions of use are completely out of our control.

The application recommendations are defined by standards of use. They are imperative to respect them, but they don't need a previous try, especially for a first use or inconvenient of support, site or environment. Consult our safety data sheets for precautions to use.

DISCLAIMER

Bostik offers this Technical Data Sheet ("TDS") for descriptive and informational use only. It is not a warranty, a contract or a substitute for expert or professional advice. Please also see the local product Safety Data Sheet for health and safety considerations.

The statements, technical information, data, and recommendations contained in this TDS are provided 'AS IS' and are not warranted or guaranteed in any way. They represent typical results for the products and are based on Bostik's research only. Since the conditions and methods of use of the products are beyond our control, Bostik expressly disclaims any and all liability and damages of whatever kind or nature that may arise from any use of the products, the results therefrom, or reliance on the information contained herein.
