Raise your monitor, elevate your comfort.

Desk-bound professionals often spend long hours looking intently at workstation monitors. This can lead to ergonomic challenges, including poor posture, eye strain and discomfort in the neck, back and shoulders.

SmartFit™ Monitor Stands support more comfortable monitor placement. The height adjustable design allows you to easily raise or lower your monitor to the proper viewing height, promoting improved posture and proper eye alignment.

Thoughtfully engineered for stability and versatility, SmartFit™ Monitor Stands are a useful companion for supporting a more comfortable workstation.

Features include:

- SmartFit™ - Comfort Made Easy
- Reduce Eye/Neck Strain
- Desktop Optimisation
- Sturdy Universal Platform
- New Look, Same Quality

SmartFit™

SmartFit™ - Comfort Made Easy

Supports proper ergonomic eye-level viewing angles using data-driven research and a colour-coded fitting chart to support quick and intuitive height-setting.

Reduce Eye/Neck Strain

By setting your monitor at the proper height that's in line with your eyes, you can lower the chances you will suffer from aches and pain after spending long hours on the computer.

Desktop Optimisation

The area underneath the stand is open and can be utilised for accessories storage, allowing you to maximise your desktop space.

Sturdy Universal Platform

The base of the stand is large enough to fit a wide variety of standard and widescreen monitors up to 18kg (K52785WW) or 36kg (K52786WW/60089).

New Look, Same Quality

In our ongoing effort to provide additional value to our customers, you may notice variations in SmartFit™ packaging and support materials. The updates are designed to make it easier to identify and use our SmartFit™ products. Rest assured, the quality standards that have made SmartFit™ a trusted choice for ergonomic accessories will remain unchanged.
