1.1 Product category: Body hygiene products excluding aerosols – Flash point above 60°C

1.2 Purpose: This product is considered a cosmetic product according to Regulation (EC) No 1223/2009.

1.3 Product name: LE PETIT PRINCE – GEL LAVANT / SHOWER GEL

1.4 Manufacture: YANG CHENG

1.5 Formula reference: LPP-GBD-YC-PREM.02

2. HAZARD IDENTIFICATION

- Hazard: Not applicable
- Labelling: Not applicable: Finished cosmetic products are not subject to Regulation (EC) No 1272/2008 (known as the CLP Regulation) or its amendments; they are therefore not subject to specific labelling requirements (see Article 1(5)(c)).

3. INFORMATION ON COMPOSITION

Ingredients that may, in particular, prove dangerous during transport and/or storage are:

- Possible ingredients: Not applicable

The qualitative composition is indicated in the INGREDIENTS section relating to the product.

4. WHAT TO DO IF EXPOSED

Types of exposure:

- Skin: No risk identified. Rinse thoroughly with water. Remove soiled clothing.
- Eyes: Immediately rinse thoroughly with warm water for 10 minutes with the eyelids well open. Consult a doctor if irritation persists.
- Inhalation: Not specifically applicable.
- Ingestion: Rinse the mouth with water. Do not induce vomiting. Consult a doctor.

5. RISKS LINKED TO EXPLOSION AND COMBUSTION

- Specific hazards: Not applicable

- Methods of extinguishing a fire:
  - Appropriate methods: Any extinguishing agent
  - Not advisable: Water if product is oily or waxy

6. MEASURES IN THE EVENT OF ACCIDENTAL RELEASE

- Cleaning methods: Retrieve the product then wash the soiled surface thoroughly with water.

- Personal protection: Wear gloves and safety glasses.

7. STORAGE AND HANDLING PRECAUTIONS

Not specifically applicable.

8. PERSONAL PROTECTION

In the event of accidental release, refer to Section 6.

9. PHYSICOCHEMICAL CHARACTERISTICS

- Appearance: Liquid or gel or solid or wax
- Flammability – Flash point: > 60°C
- Solubility: *Water solubility:* Miscible unless oil or wax *Fat solubility:* Not determined

10. STABILITY AND REACTIVITY

Stable under normal storage conditions

- Conditions to be avoided: Not applicable
- Products to be avoided: Not applicable
- Hazardous decomposition products: Carbon and nitrogen oxides.

11. TOXICOLOGICAL INFORMATION

Product safe for human health when used under normal or foreseeable conditions of use, as required by the EU Cosmetics Regulation.

12. ECOLOGICAL INFORMATION

This product is not considered to be harmful to the environment during normal and foreseeable use. For further information on local regulations, please contact the distributor/responsible person.
Cosmetic products not subject to disclosure of this information.

13. DISPOSAL CONSIDERATIONS

The objective is to treat the faulty finished product while minimising discharge into the environment.

Keep waste in leaktight recipients intended for flammable waste during storage and transport.

Treat waste in an approved centre, as per regulations currently applicable in the special industrial waste sector; make sure it is not discharged into sewers.

14. TRANSPORT INFORMATION

- UN number: Not applicable

- Class: Not applicable

- Label: Not applicable

- Packaging group: Not applicable

- Marine pollutant: Not applicable

- Other useful information: Not applicable

15. REGULATIONS APPLICABLE TO THE PRODUCT

This product is considered a cosmetic product according to Regulation (EC) No 1223/2009. Cosmetics at the stage of finished products intended for the end user, including professionals, are exempt from the requirement to provide a safety data sheet as they fall outside the scope of Regulation (EC) No 1907/2006 (known as the REACH Regulation), Article 2.

16. OTHER INFORMATION

This sheet supplements but does not replace the technical instructions for use. It is given to our customers and service providers to enable them to take all necessary precautions for compliance with the current regulations governing safety risks during the transport and storage of this product. This is subject to compliance with all other applicable regulations. It is not intended to answer questions relating to the end use of the products, including by professionals (hairdressers, beauticians, etc.). This sheet does not under any circumstances dispense with the obligation to know and apply all legal provisions governing a professional activity.
This sheet may be updated and does not replace consultation of the official texts and laws. The information provided in this sheet reflects the state of the data available at the time of writing. As this document has no legal force, its authors shall not be held liable for it.
