Declaration

We hereby declare, under our responsibility, that the products identified above comply with the applicable requirements of the following legislation, as amended:

- **Regulation (EC) No 1935/2004** of the European Parliament and of the Council on materials and articles intended to come into contact with food;
- **Commission Regulation (EC) No 2023/2006** on good manufacturing practice for materials and articles intended to come into contact with food.

Compliance has been demonstrated on the basis of technical documentation and supporting documentation for the materials used.

Intended Use

The products are intended for the preparation, cooking and serving of food under normal and reasonably foreseeable conditions of use.

Traceability

Traceability is ensured in accordance with Article 17 of Regulation (EC) No. 1935/2004 through product identification and the relevant batch, supplier and production records.

Validity

This Declaration of Compliance remains valid provided that no substantial changes are made to the materials, manufacturing process or applicable legislation that may affect the compliance of the products.
