Declaration

We hereby declare, under our responsibility, that the products identified above comply with the applicable requirements of the following legislation, as amended:

- **Regulation (EC) No 1935/2004** of the European Parliament and of the Council on materials and articles intended to come into contact with food;
- **Commission Regulation (EC) No 2023/2006** on good manufacturing practice for materials and articles intended to come into contact with food.

Compliance has been demonstrated on the basis of technical documentation, supplier declarations and independent laboratory testing.

Testing was performed by **TÜV Rheinland / CCIC (Ningbo) Co., Ltd.**, as documented in **Test Report No. 180377342a 001**, with reference to the applicable requirements of **Section 31 of the German Food and Feed Code (Lebensmittel-, Bedarfsgegenstände- und Futtermittelgesetzbuch — LFGB)**.

Under the tested, intended and reasonably foreseeable conditions of use, overall migration and, where applicable, specific migration do not exceed the applicable legal limits.

**Intended Use**

Parameter	Specification
Type of food	All food types covered by the supporting test documentation
Intended use	Repeated contact with food
Application	Preparation and cooking of food
Conditions of use	Normal and reasonably foreseeable conditions of use, in accordance with the product instructions
Restrictions	The product shall not be used if the food-contact coating is damaged

Traceability

Traceability is ensured in accordance with **Article 17 of Regulation (EC) No 1935/2004** through product identification and the relevant batch, supplier and production records.

Validity

This Declaration of Compliance remains valid provided that no substantial changes are made to the materials, coating specifications or manufacturing process and that there are no changes to the applicable legislation that may affect the compliance of the products.
