

Better hygiene for better business performance

Hygiene is not only essential, it is a way to improve business performance

Tork empowers you to rethink the overall experience, improve workplace satisfaction, make cleaning more efficient and reimagine ways to become more sustainable. We are committed to giving all people equal access to sustainable hygiene solutions.

The Tork brand offers professional hygiene products and services to customers worldwide, ranging from restaurants and healthcare facilities to offices, schools and industries. Our products include dispensers, paper hand towels, toilet tissue, soap, sanitizers, napkins, wipers, but also software solutions for data-driven cleaning.

Easily identify the products you need

Our Tork Systems are identified with Refill IDs to seamlessly match dispensers and product refills. They consist of a letter (key below) and a number and are clearly marked on Tork packaging and in this catalogue.

A = Air Fresheners
B = Bins and Bin Liners
C = Couch Roll
F = Facial Tissue
H = Hand Towels
M = Centrefeed
N = Napkins
S = Soap and Sanitizer
T = Toilet Paper
V = Seat Covers
W = Wipers

Our Tork refill products come in three quality tiers.

Premium

Our top quality tier, characterised by exceptional softness and quick absorption. The products are recognised by their superior look and feel, as well as their style and high performance.

Advanced

Effectively balances cost and performance. These high-performance products are soft, attractive and reliable.

Universal

Meets the basic needs of customers, offering good value for money and low maintenance.

Look for these symbols throughout the catalogue which indicate which dispenser systems best handle certain washroom capacity levels.

Low/medium traffic

High traffic

Washroom

Making washrooms work for your business

Whether you want to make an impression, show you care for your visitors, maintain hygiene standards or keep control of costs, we've got something that's right for you.

Make sure your washrooms deliver a great experience

Tork solutions deliver better hygiene and increase efficiency. Every business has different washroom requirements. We can help you find a hygienic, cost-effective combination of products that is just right for your customer.

Many of our washroom dispensers are Tork Vision Cleaning enabled as indicated in the charts.

What is the Tork Washroom

Making the right impression while caring for your customers and colleagues is easy with our high-quality washroom ranges. Our tried and tested combinations give you an easy choice.

Tork Hand Towels

Walking out of a washroom with wet hands makes for an unpleasant experience. Make sure your colleagues and customers can get clean, dry hands and get back to business by stocking up on the right paper hand towels.

Drying hands with Tork paper towels will reduce more bacteria.¹ The smart dispenser leaves the next user a clean, untouched sheet.

Tork Air Fresheners

It's easy to keep your washrooms constantly fresh. Tork air fresheners are designed to deliver a pleasant washroom experience. Tork Constant Air Freshener makes refilling easy and cleaning more efficient.

Tork Soap and Sanitizer

Meet your hand hygiene needs with a wide range of quality refills from flexible award-winning dispensers, and without compromising on sustainability. Paired with industry-leading Tork paper products to promote good hand hygiene.

Tork Toilet Paper

Surprise washroom guests with great hospitality in the one of the most overlooked of places. Whether your priority is luxury, easy maintenance or cost-effectiveness, you can select from a range of toilet roll paper qualities and always find one that meets your needs.

¹ When washing with soap, water, followed by drying with a paper towel, vs only using soap and water. Based on modified EN 1499 standard, tested with E.Coli., using Tork Mild Soap refill art. 420501 and Tork PeakServe® refill art. 100589.

Innovative design lines

Tork Image™ Design

Impress your guests with a truly high-end washroom environment. Stylish stainless steel with anti-fingerprint coating looks great and stays clean.

Tork Elevation®

A seamless, complete and functional dispenser line with a modern feel. Available in black or white.

Tork PeakServe Continuous Hand Towel system (H5)

Washroom experience is important, and the world has never paid more attention to cleaning and hygiene than now. The Tork PeakServe® Continuous™ Hand Towel system offers the highest capacity¹ on the market with up to 250% more towels². Together with one-at-a-time dispensing this means fewer run-out and many more people served between refills. Since people only touch the towels they use, you get a very hygienic hand drying solution that helps you secure the new hygiene standard.

Tork SmartOne Toilet Roll systems (T8 and T9)

Specially designed for high-traffic washrooms, the Tork SmartOne® toilet roll dispenser is the ultimate cost-in-use and hygiene system. Available in white or black.

Reduce paper consumption by up to **40%¹**

- High capacity: less maintenance and reduced risk of paper shortage
- Robust design with lock to protect the roll and stop pilferage in demanding environments
- Quick disintegration and reduced consumption; minimises risk of pipe blockages
- Fully enclosed dispenser: users cannot touch the inside - for a more hygienic experience
- Hygienic: guests only touch the sheet they use

Tork SmartCore® – The most convenient way to extract a core – no need for tearing and easier to remove, Tork SmartCore® also gives more sheets on the roll while less air in the packaging optimises transport efficiency.

¹ Tork Advanced refill: Statistics from internal research conducted in European countries on 7 729 users, Tork Jumbo Toilet Roll against Tork SmartOne® Twin Mini. Reduction accounted in square metres.

Wiping and Cleaning

The easy choice for the best result

Whether you run a restaurant kitchen or an industrial production line, we understand that every second matters. Tork wipes, cloths and dispensers are designed to get the job done with maximum efficiency – keeping your business running smoothly.

Choosing the right product

We've got a comprehensive range of specialist wipes and cloths, each designed to perform specific tasks (Foodservice, Food Processing, Wet Wipes, Low Lint Cloths, Microfibre Cloths).

Wiping

Mopping up spills, soaking up liquids and picking up dirt and dust with paper.

Cleaning

Removing dirt, stains and microorganisms from surfaces, machines or tools with cloths that are dry or used together with water, solvents or detergents.

Polishing

Creating a protected and shiny surface with the help of a cloth that applies polish onto the surface and is then rubbed to obtain a good finish.

Surface Hygiene

Cleaning and or disinfecting involves hygienically cleaning a surface by removing or killing harmful microorganisms.

Find the right dispensing solution

We have a wipe or cloth for every task, and a wide range of dispensers with fixing options available to make sure you'll always find what you need, where you need it.

Tork exelCLEAN

Professional results, no matter how tough the challenge

With Tork exelCLEAN® you get a quality range of low-linting, high performance cloth wipers. You also get the same reliable performance every time. No more spending time searching through rags for the “right ones”. Tork exelCLEAN® benefits your business by increasing employee satisfaction, reducing costs and improving working conditions.

Did you know?

Our Tork exelCLEAN® and patented foam-spun technologies produce nonwoven cloths setting the standard of excellence for safer, healthier and more efficient workplaces.

Could your cleaning process be more efficient?

Independent tests have proven that Tork exelCLEAN® cleaning cloths out-perform rags and rentals by saving time, effort and solvents used for the same task. Using them means up to:

35% less time
41% less solvents
31% less effort

Improved durability:

Refined to improve high-performance durability with a new, uniform construction.

More efficient:

Our Top-Paks are now compressed to save up to 26% storage space and transport, requiring less refills, and ensuring the product is there when you need it.

More flexible packaging:

New improved portable boxes with reinforced handle and larger opening to easily access cloths – even with gloves on.

OK Biobased certification:

OK Biobased programme certification confirms the plant based composition of the product. The product is OK Biobased certified and high performing in terms of cleaning, while offers sustainability benefits at the same time.

Tork Food Service Cloths

Solutions that keep up with your pace

We understand the high-tempo nature of working in a modern restaurant or catering facility. In these environments, wiping and cleaning tasks can involve everything from grease-covered stove tops, grills and working surfaces of different kinds to cleaning dining areas, service counters and other areas that guests and staff come into contact with.

As well as maintaining hygiene, our range of wipers keep your kitchen, restaurant, bar or café looking fresh at all times.

Back-of-house:

Throughout the day, oil and grease, stains and spills must be thoroughly cleaned from various surfaces, stainless steel equipment and tiles. Whether it's picking up spills or cleaning oil, grease, or food particles, Tork has a wiper for the job.

Front-of-house:

In foodservice cross-contamination is a constant concern. Tork foodservice cleaning towels come in a variety of colors, which allows you to designate areas of use, which greatly mitigates this concern.

Tork Microfibre Disposable Cleaning Cloth

Microfibres are very fine so that they have a lot of surface area, which increases the absorbency. Gaps between split fibres in our microfibre cloths create pockets, which easily pick up dirt and dust and are also fine enough to pick up microbes. Microfibres create a cloth with excellent and efficient cleaning properties.

Tork offers disposable microfibre solutions that are low-lint and wipe away micro-organism from surfaces.

183700

- Wipes away 99.99% of microorganisms from surfaces-including Cdiff¹
- Designed for one-time use and disposal
- Can be used dry or with cleaning solutions, sanitizers, and disinfectants

Making it easy to create a great experience

It's not enough just to provide satisfactory service – you need to create a great experience to keep reviews positive and customers coming through the door. When doing this, we know the details matter, and we can help you get them right.

Product ranges to meet different needs

Self-service with napkin dispensing systems

When customers dispense their own napkins, refilling, waste management and storage need to be effortless, easy and convenient.

Full-service with single-serve napkins and tableware

The quality feel of your table setting is one of many important things that creates a restaurant's ambiance.

Match your dish with the perfect color

Did you know that colors can have an important impact not only on how guests perceive a restaurant, but also on how they experience the taste and aroma of a dish? Pairing your food with the right color is a great opportunity to bring every course to life, ultimately improving the entire guest experience.

To help our customers create unique dining experiences, we teamed up with food stylist and chef Linda Lundgren, whose clients range from high-end restaurants to the international food industry and gastronomic magazines.

Use our color wheel, based on our Tork LinStyle® napkin range for inspiration on how to use colors to enhance flavours and fulfil the potential of every plate you create.

The natural choice

Tork Natural Napkins are developed with sustainability in mind. They are made from 100% recycled, unbleached and undyed material. Plus they are FSC® and EU Ecolabel certified, but also biodegradable and industrially compostable according to EN 13432. Tork offers natural napkins for self-service restaurants and for full-service restaurants.

Bring your environmental commitment to the table

Tork Xpressnap Napkin systems

Designed for busy self-service environments where napkins need to be available close at hand. Tork Xpressnap®, Tork Xpressnap Fit® and Tork Xpressnap Snack® support a faster, more efficient guest experience when hygiene and swift maintenance are critical. One-at-a-time dispensing helps you control consumption and costs.
