Features & Benefits

- L-shaped configuration with a fixed 300mm side return provides additional visual privacy.
- Acoustic PET construction helps reduce ambient noise and distractions in shared environments.
- Pinnable surface supports notes, signage and personalisation.
- Available in 12mm and 24mm thicknesses for varied acoustic requirements.
- Above-desk configuration maintains under-desk access and legroom.
- Compatible with Type 1 Top Mount and Type 2 Side Mount clamp systems.
- Four clamps provide secure installation for each screen.
- Matte Black and Matte White clamp finishes support coordinated workstation layouts.
- Contains 60% recycled PET material and is 100% recyclable.
- Manufactured in Australia.

Sales Summary

Australian-made SANA Side Bar screens combine recycled PET acoustic performance, pinnable functionality and a 300mm side return to improve privacy, focus and sound control in shared workspaces.
