Features & Benefits

- L-shaped design with a fixed 300mm side return provides additional visual privacy.
- Dual-height configuration extends above and below the desktop for improved acoustic and visual separation.
- Acoustic PET construction helps reduce ambient noise and distractions in shared environments.
- Pinnable surface supports notes, signage and personalisation.
- Available in 12mm and 24mm thicknesses for varied acoustic requirements.
- Type 4 Dual Mount clamps provide secure installation.
- Four clamps are required per screen and are available in Matte Black or Matte White.
- Frameless construction provides a clean, contemporary appearance.
- Contains 60% recycled PET material and is 100% recyclable.
- Manufactured in Australia.

Sales Summary

Australian-made SANA Side Bar Dual screens combine recycled PET acoustic performance, pinnable surfaces and a 300mm side return for enhanced privacy above and below shared workstations.
