Features & Benefits

- Frameless PET construction provides acoustic dampening and visual privacy.
- Pinnable surface supports notes, reminders, signage and reference materials.
- Available in 12mm and 24mm thicknesses for varied acoustic and design requirements.
- Four width options and two above-desk heights support different workstation configurations.
- Compatible with Type 1 Top Mount, Type 2 Side Mount and Type 3 Divide Mount clamp systems.
- Clamp mounting avoids permanent desk fixings.
- Matte Black and Matte White clamp finishes support coordinated installations.
- Contains 60% recycled PET material and is 100% recyclable.
- Available in Frost, Moonlight, Mushroom and Shadow.
- Manufactured in Australia.

Sales Summary

Australian-made SANA Altitude screens combine recycled PET acoustic performance, pinnable functionality and flexible clamp mounting to improve privacy and sound control across modern work and learning spaces.
