Features & Benefits

- Three-sided configuration provides enhanced visual privacy around individual workstations.
- Acoustic PET construction helps reduce noise and visual distractions in shared environments.
- Pinnable surface supports notes, signage and personalisation.
- Available in 12mm and 24mm thicknesses for varied acoustic requirements.
- Integrated 300mm side panels provide wraparound separation without restricting under-desk access.
- Compatible with Type 1 Top Mount and Type 2 Side Mount clamp systems.
- Four clamps provide secure mounting for each surround.
- Matte Black and Matte White clamp finishes support coordinated desk installations.
- Contains 60% recycled PET material and is 100% recyclable.
- Manufactured in Australia.

Sales Summary

Australian-made SANA Surround screens combine recycled PET acoustic performance, pinnable surfaces and wraparound side panels to improve privacy, focus and sound control in shared work and learning environments.
