Features & Benefits

- Three-panel interlocking design supports fast setup without separate hardware.
- Slide-on mounting installs without clamps, screws or tools.
- 24mm acoustic PET construction helps reduce workplace noise and visual distractions.
- Pinnable surface supports notes, reminders and reference materials.
- Frameless construction provides a clean, contemporary appearance.
- Incline and Altitude front-edge options support different workstation aesthetics.
- Multiple width and depth combinations suit common sit-stand desk formats.
- Lightweight panels can be removed or repositioned as workspace needs change.
- Contains 60% recycled PET material and is 100% recyclable.
- Manufactured in Australia.

Sales Summary

Australian-made SANA Sit-Stand Slide-On Screens combine 24mm recycled PET, pinnable surfaces and tool-free interlocking installation to provide flexible acoustic privacy for modern sit-stand workspaces.
