Features & Benefits

- Matte EverWrite porcelain surface minimises glare for clear projection and smooth dry-erase writing.
- Magnetic surface supports compatible accessories and presentation materials.
- Dual-purpose design supports both projection and writing applications.
- Slim 4 mm powder-coated aluminium frame provides a refined architectural appearance.
- Frame is available in black, white or custom colours to suit interior requirements.
- Concealed split batten mounting provides a secure and seamless wall installation.
- Durable porcelain surface is supported by a 25-year surface warranty.
- 800 mm adherable aluminium pen tray provides convenient storage for markers and accessories.

Sales Summary

A premium magnetic porcelain projection whiteboard with a low-glare writing surface, slim powder-coated aluminium frame and concealed mounting system for professional, educational and AV-integrated spaces.
