

AUTEX COMPOSITION® PEEL 'N' STICK ACOUSTIC TILES

600 x 600mm peel-and-stick PET acoustic tiles with NRC 0.40, pinnable self-healing surface and Velcro® compatibility for functional acoustic wall treatments.

Product Codes	QSTELE, QSTSTO, QSTATL, QSTINK, QSTFAL, QSTPOR, QSTSPE, QSTMYS, QSTSAV, QSTFLA, QSTKOA, QSTPET
Brand	Autex Acoustics
Availability	Stocked item

Technical Specifications

Product Type	Peel-and-stick acoustic tiles
Tile Size	600 x 600mm
Thickness	10-12mm nominal
Pack Quantity	6 tiles
Coverage	2.16m² per pack
Material	100% polyester fibre PET
Recycled Content	Minimum 60% post-consumer recycled material
Acoustic Rating	NRC 0.40
Acoustic Performance	Reduces reverberated noise and echo
Surface	Pinnable, self-healing acoustic finish
Velcro® Compatibility	Yes
Edge Style	Frameless
Orientation	Dual orientation
Installation	Pressure-sensitive peel-and-stick adhesive backing
Repositionable	No
Application	Indoor wall applications
Fire Rating	Group 1 under AS ISO 9705; assessed in accordance with AS 5637.1:2015
Colour Options	Electric Blue, Stonewash, Atlantis, Ink, Falling Water, Porcelain, Spearmint, Myst, Savoye, Flatiron, Koala, Petronas
Sustainability	Made from 100% polyester fibre with at least 60% post-consumer recycled material.

Features & Benefits

- NRC 0.40 acoustic performance helps reduce reverberated noise and echo.
- Peel-and-stick backing simplifies installation without separate spray adhesive or framing.
- Pinnable self-healing surface supports notices, documents and visual displays.
- Velcro®-receptive finish supports reusable display applications; low-profile hook fasteners are recommended to minimise surface wear.
- Six-tile pack provides 2.16m² of wall coverage.
- Frameless construction provides a clean, contemporary finish.
- Dual orientation supports flexible wall layouts.
- Polyester construction contains at least 60% post-consumer recycled material.
- Group 1 fire classification supports internal wall applications.
- Suitable for schools, libraries, offices, staff areas and collaborative environments.

Sales Summary

Autex Composition® Peel 'n' Stick tiles combine NRC 0.40 sound absorption, pinnable and Velcro®-receptive functionality, recycled PET construction and simple adhesive installation.
