Features & Benefits

- Dual 3 mm clear polycarbonate doors provide secure protection while maintaining visibility.
- Water-resistant rubber seal supports reliable outdoor use.
- Cork pinboard surface provides a practical pin-receptive display area.
- BIOBOARD core incorporates recovered and renewable fibre.
- Satin silver aluminium frame with 50 mm face profile provides strength and a professional finish.
- Internal pivoting door design eliminates visible external hinges.
- Galvanised laminated back panel provides additional structural strength.
- Dual-orientation mounting supports flexible installation.
- Suitable for schools, councils, worksites and public notice areas.

Sales Summary

Secure double-door weather-resistant notice case with BIOBOARD core, cork pinboard surface and lockable clear doors, designed for durable indoor and outdoor public display.
