

Visionchart Wrapped & Corporate Pinboards

Smarter Display Solutions for Schools

Create practical, safe and organised display areas across classrooms, corridors, libraries, staff rooms and administration spaces.

Visionchart Wrapped Velour and Corporate Felt Pinboards are designed for everyday school use, helping teachers and administrators display student work, notices, teaching resources and important school communication clearly and professionally.

Safer for Busy School Areas

Frameless Velour Pinboards feature soft wrapped edges with no exposed frame, making them a practical option for classrooms, corridors and active learning areas.

Built for Everyday Teaching and Communication

Use them to display student work, classroom notices, visual learning materials, timetables, reminders, awards, newsletters and school announcements.

Helps Create Better Learning Environments

Velour pinboards can help reduce echo in busy learning spaces, supporting clearer communication and a more comfortable classroom environment.
